Re: DW 23-088 Pennichuck Water Works, Inc.; Pennichuck East Utility, Inc.;  
Pittsfield Aqueduct Company, Inc.  
Consolidated Permanent Rate Proceeding  
Proposed Procedural Schedule

Dear Chairman Goldner:

Pursuant to the Commission's temporary filing requirements dated March 17, 2020 and pursuant to the Commission's Order No. 26,914 dated December 18, 2023, the Pennichuck companies provide the following agreed-to procedural schedule for the Commission's consideration.

Hearing on Motion to Dismiss                      January 23, 2024, 9 AM

After soliciting input from the parties and adhering to the Commission's request for availability for the week of January 22<sup>nd</sup>, parties were only collectively available on January 23<sup>rd</sup>. The Pennichuck Companies note that the Commission's calendar has a hearing scheduled for that afternoon from 1 to 4 PM. We hope that this does not present a conflict to our morning hearing. We attempted to find an alternative date for the following week, however, no common date was available. We presume if January 23<sup>rd</sup> is no longer available that the Commission will contact the parties.

Thank you for the Commission's assistance with this filing. Happy New Year to all!

Very Truly Yours,
