COST ALLOCATION AND SERVICES AGREEMENT

This AGREEMENT is entered into as of the 1st day of January, 2006 by and among Pennichuck Corporation ("PNNW"), Pennichuck Water Works, Inc. ("PWW"), Pennichuck East Utility, Inc. ("PEU"), Pittsfield Aqueduct Company, Inc. ("PAC"), Pennichuck Water Service Corporation ("PWSC") and The Southwood Corporation ("TSC").

WHEREAS, PNNW is a holding company and owns all of the issued and outstanding stock of PWW, PEU, PAC, PWSC and TSC (the "Subsidiaries"); and

WHEREAS, to the extent practicable PNNW operates the Subsidiaries as a single economic unit in order to take advantage of available economies of scale through common staffing and a common asset base; and

WHEREAS, PNNW exists and operates for the exclusive benefit of the Subsidiaries and does not conduct any separate operations for its own benefit; and

WHEREAS, in order to further the efficient and cost-effective operation of PNNW and all of its Subsidiaries, PEU, PAC, PWSC and TSC (the "Other Subsidiaries") and PNNW have no employees of their own, but rather rely upon and utilize personnel employed by PWW; and

WHEREAS, PWW leases a portion of an office building located at 25 Manchester Street,

Merrimack, New Hampshire where its executive and administrative offices are located; and

WHEREAS, PWW owns certain equipment and other assets that it makes available to the Other Subsidiaries and PNNW for use by them; and WHEREAS, PNNW and the Other Subsidiaries have no office facilities or office equipment of their own and rely exclusively on PWW to supply these items on an as-needed basis; and

WHEREAS, the services, facilities, and equipment of PWW that are provided to the

Other Subsidiaries and PNNW are substantially the same as PWW would be required to provide

for itself, individually, if the Other Subsidiaries and PNNW did not exist; and

WHEREAS, as a result of economies of scale there is an economic benefit to be derived by the parties hereto in using and sharing with each other the same officers, staff, office facilities and equipment, which would be more costly to each of them if they were obtained on an individual basis; and

WHEREAS, in particular, such economies of scale result in reduced operating and capital costs for each of the Subsidiaries and result in lower rates for customers of PEU, PAC and PWW (the "Regulated Subsidiaries") than could be achieved if the Regulated Subsidiaries operated on a stand-alone basis;

WHEREAS, based on the expectation and the representation by PWW that, because PWW and the Other Subsidiaries are under common control, the foregoing assets and services will continue to be available to them on an ongoing basis, the Other Subsidiaries and PNNW have not themselves acquired the assets or employed the individuals necessary to provide the services contemplated by this Agreement;

WHEREAS, the "Regulated Subsidiaries, in response to recommendations from the staff of the New Hampshire Public Utilities Commission, wish to amend the cost allocation methodology set forth in the Cost Allocation and Services Agreement among PNNW and the Subsidiaries that is currently on file with the Commission; and

WHEREAS, PNNW and the Subsidiaries wish to enter into this Agreement to reflect the unity of use of the employees of PWW and certain assets of PWW that are owned and operated by PWW for the benefit of all of the Subsidiaries and PNNW;

NOW THEREFORE, in consideration of the foregoing and the mutual agreements set forth below, the parties hereto agree as follows:

I. <u>SERVICES</u>

PWW shall furnish to PNNW and the Other Subsidiaries, and PNNW and the Other Subsidiaries shall utilize, all of the following services upon the terms and conditions hereinafter set forth:

- A. Administrative. PWW shall provide the corporate administrative services required by the Other Subsidiaries and PNNW, including the formulation of recommendations to their respective Boards of Directors, the implementation of the decisions of their respective Boards of Directors, the responsibility for executive decisions, as appropriate, the preparation of contracts, the maintenance of all corporate records and documents, the filing with governmental authorities of all documents required by law or otherwise necessary for the continuance of the corporate existence of the Other Subsidiaries and PNNW, public relations, corporate communications and community affairs, and, in the case of PNNW, responsibility for shareholder relations.
- B. Accounting and Financial. PWW shall provide such accounting and financial services to the Other Subsidiaries and PNNW as they may require. Such services shall include maintaining the general books of account of, and

preparing periodic financial statements and related reports for, the Other Subsidiaries and, on a consolidated basis, PNNW, advising and assisting in the preparation of budgets and planning for the Other Subsidiaries and PNNW, and preparing and filing, or assisting in the preparation and filing of, Federal, State and local tax returns and other reports required by regulatory agencies for the Other Subsidiaries and PNNW. Additionally, PWW shall be responsible for assisting the Other Subsidiaries and PNNW in their acquisition of capital and operating funds, through borrowing and, in the case of PNNW, through the issuance of equity securities. PWW shall prepare and monitor annual budgets for, and shall be responsible for data processing services to the Other Subsidiaries and PNNW, be responsible for securities compliance functions under both state and federal law, providing or procuring internal and external auditing and accounting services, rate and regulatory support, risk management (including procuring insurance coverage) financial planning and all treasury and finance functions.

- C. Information Technology. PWW shall provide the Other Subsidiaries and PNNW with such information technology resources as they may require, including all hardware and software and related support, telecommunications, and customer billing and information services.
- D. <u>Customer Services.</u> PWW shall provide the Other Subsidiaries such services and systems as they shall require for customer servicing, including meter reading and billing, payment remittance, credit, collections, customer relations, customer communications, customer offices and field operations.

E. Operating Services. PWW shall provide the Other Subsidiaries and PNNW with operating services, including materials management and purchasing, engineering, and facilities and system operation and maintenance.

II. OFFICE SPACE AND FACILITIES

PWW will utilize its premises at 25 Manchester Street, Merrimack, New Hampshire in order to conduct the administrative functions and perform the accounting and financial services required by this Agreement, and will utilize its office equipment on an as-needed basis in connection therewith and as otherwise required by the Other Subsidiaries and PNNW in connection with their operations.

III. FEE

- A. The parties hereto agree that the activities undertaken, and costs and expenses incurred, by PNNW are undertaken or incurred for the benefit of the Subsidiaries and shall be allocated to the Subsidiaries in accordance with Section I of Appendix A. The parties agree that PNNW may from time to time, in its sole and absolute discretion, choose not to allocate certain expenses to the Subsidiaries and to bear such expenses itself.
- B. In consideration for the services to be rendered, and the office space and facilities to be utilized by PWW as provided in this Agreement, the Other Subsidiaries and PNNW each agree to pay PWW a fee based on actual costs and expenses incurred by PWW which are appropriately allocable to their respective operations, in accordance with the allocation formulas set forth in Section II of Appendix A. In applying the allocation formulas, the parties will utilize data from the then-current fiscal year, except as

otherwise provided on Appendix A. The fee payable for such services will be charged periodically by PWW to PNNW and/or the Other Subsidiaries, as appropriate.

C. Notwithstanding the allocation formulas set forth in Appendix A, PWW shall endeavor, in those instances where it is practical to do so, to direct charge the Other Subsidiaries for expenses that are clearly identifiable as being for a single entity and for which the costs can be clearly and readily separated from other more general costs incurred by PWW. In addition, notwithstanding the allocation formulas set forth in Appendix A, in those cases where PWW incurs an outside expense, such as professional or consulting fees, that are incurred for the benefit of less than all of the Subsidiaries, such expense shall be allocated equally among the Subsidiaries for whose benefit the expense was incurred.

IV. TERMINATION

The term of this agreement shall be seven (7) years (the "Initial Term") beginning on January 1, 2006 and shall continue for an indefinite number of additional one (1) year terms thereafter (each of which is referred to as a "Renewal Term"), except that any party may terminate its participation in this Agreement by giving written notice at least one (1) year prior to the expiration of the Initial Term or any Renewal Term or such lesser notice as may be agreed upon by all of the parties hereto.

V. MISCELLANEOUS

This Agreement supersedes all prior agreements concerning the subject matter hereof between or among the parties hereto, or any of them. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their successors and assigns. This Agreement shall be governed by and construed under the laws of the State of New Hampshire.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be executed as of the date written above.

- (1) any action to change to the name of the Corporation or to the name of any corporation, partnership, or limited liability company directly or indirectly wholly-owned by the Corporation (such entities are referred to herein as the "Subsidiaries");
- (2) any action to amend to the By-Laws of the Corporation or any of the Subsidiaries;
- (3) any action to (A) create, incur or assume any indebtedness for borrowed money or guarantee any such indebtedness of any person, (B) issue or sell any debt securities or warrants or other rights to acquire any debt securities of the Corporation or any of its Subsidiaries, or (C) guarantee any debt securities of any person;
- (4) any action to authorize the Corporation or any of the Subsidiaries to merge or consolidated with or into, or acquire all or substantially all of the assets of, any corporation, partnership, limited liability company, or any other business entity or person;
- (5) any action to sell, lease, transfer or otherwise dispose of all or any substantial part of the assets (whether in a single transaction or series of transactions during any consecutive 12-month period) of the Corporation or any of the Subsidiaries other than in the ordinary course of the business of the Corporation or any of the Subsidiaries; and

(6) any action to make any loan or advance to any person or purchase or otherwise acquire any capital stock, obligations or other securities of, or make any capital contribution to, or otherwise invest in, any person other than the Subsidiaries.

ARTICLE X - LIMITATION OF LIABILITY

A director or an officer of the Corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 8.33 of the New Hampshire Business Corporation Act, or (iv) for any transaction from which the director derived any improper personal benefit. If the New Hampshire Business Corporation Act is amended after approval of this Article to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the corporation shall be eliminated or limited to the fullest extent permitted by the New Hampshire Business Corporation Act, as so amended. Any repeal or modification of Article IX by the Sole Shareholder of the Corporation shall not adversely affect any right or protection of a director or an officer of the corporation existing at the time of such repeal or modification.

ARTICLE XI - AMENDMENT

These Articles of Incorporation may be amended only by action of the Sole Shareholder.
