Filing Requirement Schedules

Puc 1604.06 and Puc 1604.07

Regarding: Puc 1604.07(a)(11) Schedule 3 - Rate Base; Puc 1604.07(a)(12) Schedule 3A - Working Capital; and Puc 1604.07(a)(13) Schedule 3 Attachment - Pro Forma Adjustment Rate Base; these schedules are no longer included in PWW's rate filings because of prior approvals to no longer produce these schedules as follows:

(1) In PWW's last rate case, the Commission agreed that "return on rate base and depreciation components no longer pertain to PWW because, under PWW's current ratemaking methodology, a debt service component effectively replaced return on rate base and depreciation expense." See, Secretarial Letter dated May 31, 2019 in Docket No. DW 19-084 granting waiver of Puc 1604.07(a) (11)-(13).

(2) As to future PWW rate cases, the settlement agreement approved by the Commission in Order No. 26,383 (July 24, 2020) in Docket No. DW 19-084 stated: "[t]he Settling Parties agree and recommend that the Commission require PWW to file its subsequent rate cases in accordance with the procedures and methodologies described in this Agreement, unless otherwise modified by the Commission, and consistent with the computations set forth in the exhibits and attachments to this Agreement." See, Docket No. DW 19-084, Exhibit 9, Settlement Agreement at 52 (emphasis added). See also, Order No. 26,383, where the Commission approved this term: "[w]e expect that future rate case proceedings will follow the procedures and methodologies outlines in the Settlement Agreement and incorporate those terms into this order by reference." Order at 18.
