RE: Docket No. DE 23-XXX, Public Service Company of New Hampshire
d/b/a Eversource Energy Petition for Approval of Financing Transaction

Dear Chairman Goldner:

Please find enclosed for filing the petition, exhibits, and pre-filed testimony in support of a financing transaction requested by Public Service Company of New Hampshire d/b/a Eversource Energy ("PSNH" or the "Company"). This routine financing transaction would include the issuance of up to \$300 million aggregate principal amount of long-term debt securities through December 31, 2024 and the mortgaging of utility property.

PSNH respectfully requests that the Commission open a new docket to review and grant the requested approval of financing by an order *nisi*, issued on or before February 15, 2024, to become effective by February 29, 2024, as explained in further detail in the petition and in the same manner as the most recent routine financings of the Company approved by order *nisi* in Docket Nos. DE 21-060 and 20-072.

Consistent with the Commission's current policy, this submission is being provided electronically only and paper copies will not follow. Please do not hesitate to contact me should you have any questions. Thank you for your assistance with this matter.

Sincerely,

/s/ David K. Wiesner
