RE: Docket No. DE 23-091, Public Service Company of New Hampshire, d/b/a
Eversource Energy, Petition for Adjustment to Stranded Cost Recovery Charge
Record Request Responses Filing

Dear Chairman Goldner:

Enclosed for filing with the New Hampshire Public Utilities Commission (the "Commission") on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource" or the "Company"), please find the Company's Responses to Record Requests issued in the Commission's procedural order dated February 15, 2024. Although not discussed expressly at the hearing, the Company does not object to the admission of these responses into record evidence as exhibits in this docket.

Please note that the responses to RR-006 and RR-009(2) are filed in both public redacted and confidential shaded versions. Also enclosed is the Company's Motion for Protective Order and Confidential Treatment with respect to certain confidential information included in the responses to RR-006 and RR-009(2), which should not be disclosed publicly pending Commission action on said motion. Note also that the PDF of the RR-006 attachment represents only a summary portion of the full Excel spreadsheet, which is too large to convert to PDF format and submit electronically.

Also enclosed for filing is a copy of Eversource's Supplemental Motion, Pursuant to 28 U.S.C. §1412 and Federal Rule of Bankruptcy Procedure 1014(a), To Transfer Venue of Bankruptcy Proceedings to United States Bankruptcy Court for the District of New Hampshire, as that Supplemental Motion was filed on February 20, 2024 with the United States Bankruptcy Court for the District of Delaware.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
