Re: Docket No. DW 23-101 Pennichuck Water Works, Inc., Pennichuck East Utility, Inc. and Pittsfield Aqueduct Company, Inc. – Request for Procedural Schedule Change

Dear Chairman Goldner:

On March 4, 2024, the Public Utilities Commission (Commission) approved the assented-to procedural schedule filed by Pennichuck East Utility, Inc., Pittsfield Aqueduct Company, and Pennichuck Water Works, Inc. (collectively, the Joint Petitioners) on February 28, 2024, with the exception of the parties' proposed hearing dates. The Department, with the assent of all parties to this docket, requests the following changes to the approved procedural schedule:

	Current Dates	Proposed Dates
Set 6 Data Requests	July 25, 2024	August 8, 2024
Set 6 Responses	August 8, 2024	August 22, 2024
Settlement/Technical Session	September 5, 2024	September 4, 2024

The relief requested is consistent with Puc 203.13 requirements because the above referenced schedule will ensure all parties sufficient time to thoroughly examine the issues, thereby promoting the orderly and efficient conduct of the proceeding. Furthermore, as this schedule includes increased time for discovery and generally maintains the remaining schedule, there will be no undue hardship placed on the company or ratepayers if the above schedule is approved. Consistent with current Commission policy, this request is being filed in electronic format only.

Respectfully,

Matthew C. Young, Esq.
