Re: Docket No. DT 23-103
Consolidated Communications Holdings, Inc. and Condor Holdings, LLC
Joint Petition to Approve Transfer of Control

Dear Chairman Goldner:

I write to advise the Commission that the Union Intervenors (IBEW, Local 2320 and District 2) do not intend to appear at the hearing presently scheduled in this docket for July 23 and 24.

As noted in the direct filed testimony of Local 2320 Business Manager James Golden, the Union does not oppose approval of the transaction and intervened in this matter to ensure that the Petitioners demonstrated their commitment to employing a right-sized and stable workforce deployed with the necessary tools to perform their important work and that the Petitioners demonstrated their commitment to the health and safety of the workforce and the public at large. Inasmuch as the parties have, as of now, agreed to enter Mr. Golden's testimony into the record, and since none of the parties has indicated a need to cross-examine Mr. Golden, the Union has decided that it will not appear. We will notify you at once should the Union's position change.

Very truly yours,

Alfred Gordon O'Connell
