Subject: DE 24 - 002, Puc 2204.01 Notice to NHEC: Request for Approval of Tamworth Community Power Electric Aggregation Plan

Hello,

The previous issuance of the Puc 2204.01 request for approval of the Tamworth Community Power Electric Aggregation Plan inadvertently did not include NH Electric Cooperative as a recipient. Please see the attached notice, which comes as a correction to that oversight to ensure NHEC is properly informed of the [Tamworth Community Power Electric Aggregation Plan](#), which is available on the PUC's docket book here: [New Hampshire Public Utilities Commission \(nh.gov\)](#).
