**RE:** Puc 2204.04 Notification of Commencement of Service | City of Somersworth and Towns of Atkinson, Barrington, Bethlehem, Boscawen, Bradford, Charlestown, Grantham, Hampton Falls, Kensington, Loudon, Sugar Hill, and Tamworth

Pursuant to Puc 2204.04 I am writing to provide official Notification of Community Power Aggregation Commencement of Service not sooner than 45 days hence, or on or after May 31, 2024 with the target month for enrollments being June 2024 for the following municipalities for which the Community Power Coalition of New Hampshire serves as agent for purposes of implementing and operating their CPA programs:

<b><u>CPA Launching Service</u></b>	<b><u>PUC Docket Number</u></b>
City of Somersworth	DE 23-100
Town of Atkinson	DE 24-003
Town of Barrington	DE 24-007
Town of Bethlehem	DE 24-005
Town of Boscawen	DE 23-102
Town of Bradford	DE 24-014
Town of Charlestown	DE 24-023
Town of Grantham	DE 24-012
Town of Hampton Falls	DE 24-009
Town of Kensington	DE 24-004
Town of Loudon	DE 24-013
Town of Sugar Hill	DE 24-008
Town of Tamworth	DE 24-002

The four utilities noticed in this email – Eversource, Liberty, NH Electric Cooperative, and Until – serve some portion of some of these communities.

These CPAs will be launched primarily on an opt-out alternative default service provider basis. Some groups of customers in the CPAs may be offered service only on an opt-in basis, particularly those that cannot be properly served by CPAs until certain data sharing and Puc 2200 rule compliance issues are resolved, including net energy metered customers. If you have any questions about this notice, please reach out.
