Procedural Order Re: DOE Analysis

On January 19, 2024, Barr Tell USA, LLC and Consolidated Communications of Northern New England Company, LLC filed an interconnection agreement between the two companies for Commission approval pursuant to 47 U.S.C. § 252(e).

47 U.S.C. § 252(e)(2)(A) requires the Commission to approve a negotiated interconnection agreement unless it is determined that the agreement, or some portion of it, discriminates against a telecommunications carrier not a party to the agreement or that the implementation of the agreement would be inconsistent with the public interest, convenience, and necessity.
