RE: Docket No. DE 24-028, Public Service Company of New Hampshire, d/b/a
Eversource Energy, and New Hampshire Electric Cooperative, Inc.
Joint Petition to Alter Franchise Areas in Chester New Hampshire
Customer Consents to Change in Service Territory

Dear Chairman Goldner:

As contemplated by the Commission's Commencement of Adjudicative Proceeding and Notice of Prehearing Conference issued on March 12, 2024 in this docket, please find enclosed copies of emails received from the two customers affected by the proposed change in electric franchise areas confirming the customers' consent to that change. These documents should be considered confidential and not publicly disclosed because they contain specific customer information subject to RSA 363:37-38.

In view of the customers' written confirmation of their assent to the alteration of franchise areas, and the absence of any intervenors, the joint petitioners reiterate their request that the Commission approve the proposed alteration through an order *nisi* without any further process in this docket.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions regarding this submission, please do not hesitate to contact me.

Sincerely,

/s/ David K. Wiesner
