RE: Docket No. DE 24-032, Public Service Company of New Hampshire, d/b/a
Eversource Energy, Burgess Plant Bankruptcy Settlement Review Pursuant to
RSA 365:28 and Allied Statutes
Eversource Motion for Dismissal or, in the alternative, Consolidation of Docket

Dear Chairman Goldner:

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource"), please find enclosed Eversource's Motion for Dismissal or, in the alternative, Consolidation of Docket.

As stated in the Motion, the scope of this proceeding and issues presented, as set forth in the Commission's Commencement of Adjudicative Proceeding and Notice of Hearing issued on February 28, 2024, are based on an inaccurate set of factual and legal premises and therefore fail to provide adequate notice of the issues to be decided. Moreover, if the factual and legal premises were correctly stated, there would be no legal basis for any modification of previous orders under RSA 365:28 or any other statute cited in the order of notice.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
