**RE:** DE 24-034 Public Service Company of New Hampshire d/b/a Eversource Energy  
Line Extension Rate Filing effective date notification

Chairman Goldner:

On March 1, 2022 Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) filed its annual line extension rate pursuant to the settlement agreement in Order No. 25,046 dated November 20, 2009. The Commission opened this instant docket to review and approve this rate for effect April 1, 2024 through March 31, 2025.

After meeting and discussing the filing with the New Hampshire Department of Energy, the Department filed its recommendation that the Commission approve the rate without qualification, for effect April 1, 2024. Consistent with the above-mentioned settlement agreement, the Eversource tariff, and Puc 1603.07(a)(1) which allows tariff changes to take effect 30 days after notice to the Commission, Eversource will implement the line extension rate update effective Monday April 1, 2024, absent Commission direction to the contrary.

Consistent with current Commission policy, this notification is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
