RE: Docket No. DE 24-046, Public Service Company of New Hampshire
d/b/a Eversource Energy, 2024 Energy Service Solicitation
CORRECTION of Technical Statement Attachment Redacted Bates Page 8

Dear Chairman Goldner:

On July 3, 2024, Public Service Company of New Hampshire d/b/a Eversource Energy (the "Company") filed a Technical Statement and related attachments to address four Commission directives contained in the Commission's Order No. 27,022 (June 20, 2024).

The redacted version of the Technical Statement and attachments as filed inadvertently contained incorrect numbers on Bates Page 8, Attachment YC/SRA-1, Page 2 of 4, at Lines 9, 10, and 11. Those numbers are inconsistent with the numbers shown on the corresponding lines in the confidential version of the Technical Statement filing.

In order to correct that inconsistency, the Company hereby files a revised redacted Bates Page 8, Attachment YC/SRA-1, Page 2 of 4. All other components of the July 3rd filing remain unaffected by this correction. We regret any inconvenience resulting from the originally incorrect filing.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
