**Re: Docket No. DG 24-050
Portland Natural Gas Transmission System
Petition to Transfer Partnership Interests
Petitioners' Revised Attachment D**

Dear Chairman Goldner:

On March 26, 2024, the Petitioners in the above referenced proceeding jointly petitioned for approval of a transfer of partnership interests in the Portland Natural Gas Transmission System ("PNGTS") pursuant to RSA 369:8, II,(b)(1). Attachment D to the Petition included the pre- and post-closing organizational charts of BlackRock Global Infrastructure Fund IV, SCSp ("BGIF IV") and North Haven Infrastructure Partners III (AIV-B) SCSp ("NHIP III") (the "Buyers"). Since the filing of the Petition, BGIF IV established new downstream corporate intermediaries that resulted in a slight change to the Buyers' organizational charts included in Attachment D. Accordingly, Petitioners are filing a revised Attachment D that includes the revised pre- and post-organizational charts to reflect this change. The supplemental Attachment D is enclosed with this cover letter.

In the event any party to this proceeding has questions concerning this change, witnesses for BGIF IV are available to respond to any data requests.

Please note that this filing is being made electronically only consistent with the Commission's March 17, 2020 suspension of the requirement to file paper copies.

Sincerely,

A handwritten signature in cursive script, appearing to read "Viggo C. Fish".
