**Re: Docket No. DG 24-050
Petitioners' Second Supplemental Motion for Protective Order and
Confidential Treatment**

Dear Chairman Goldner:

Please find enclosed with this cover letter, Petitioners' Second Supplemental Motion for Protective Order and Confidential Treatment being filed in the above-captioned proceeding. The motion requests confidential treatment of all confidential documents and materials shared during the course of discovery in this matter. Further, as set forth in the motion, the N.H. Department of Energy appended confidential materials produced in discovery to the unredacted copy of its Technical Statement, filed with the Commission on May 3, 2024; therefore, the motion should be construed to include a request for confidential treatment of the unredacted copy of the Technical Statement as well.

This filing is made electronically only consistent with the Commission's March 17, 2020 suspension of the requirement to file paper copies. Copies have been contemporaneously provided to the full docket service list.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Viggo C. Fish", written in a cursive style.
