Subject: Opposition to Shifting of Unitil Supply Costs onto Non-Unitil Supply Customers (PUC Docket No. DE 24-065)

To Unitil Chairman and CEO Thomas Meissner,

As a member of the Community Power Coalition of NH, I object to this ruling that I should be charged for energy supply matters of Unitil that have nothing to do with my service through the coalition. I made a choice to not use Unitil's supply rates.

I believe this is illegal and should be fought by the Office of Consumer Advocate.

Sincerely,

Dorothy Currier/Concord
