Re: Docket No. DE 24-070 - Public Service Company of New Hampshire d/b/a Eversource
Notice of Intent to File Rate Schedules
Joint party request for topics for 11.19 and 11.20 Commission sessions

Chairman Goldner:

By this letter, Public Service Company of New Hampshire d/b/a Eversource Energy (the "Company") and the Department of Energy jointly respectfully request the designation of high-level topics for the November 19 and 20 Commission sessions in this docket. The parties to the instant docket met October 23 and 24 for party technical sessions. At those sessions, the Department of Energy noted that the 15-day deadline for remote participation requests is quickly approaching. Many of the parties are utilizing out-of-state resources who may require remote access to the sessions, however at this time no party knows what resources to secure for those sessions.

The Company appreciates the Commission's extension on the responses to the questions that emerged from the last session and understands that those responses may inform the topics the Commission wishes to discuss. However, if the Commission is able to indicate, even at a high level, the general topic areas it likely wishes to have discussed, any insight would be appreciated so that all parties can make any necessary timely requests for remote participation 15 days in advance of the sessions.

Consistent with current Commission policy this letter is being filed electronically only. Thank you for your consideration of this matter.
