Re: Docket No. DE 24-070 - Public Service Company of New Hampshire d/b/a Eversource
Notice of Intent to File Rate Schedules
Request for remote participation for November 19th and 20th technical sessions

Chairman Goldner:

Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource” or the “Company”) has confirmed the necessary staff, and hereby requests remote participation access for certain of those staff to attend the November 19 and 20 technical sessions. Jessica Cain, Vice President Customer Operations, is located in Connecticut and has multiple commitments she must navigate on those days, making travel impracticable. Bob Allen in Vegetation Management will be recovering from surgery and may be unable to attend at all but will participate if sufficiently recovered by the 19th and if granted remote access. Ian Farley in Vegetation Management will be attending in person in case Mr. Allen is unavailable. Consultant Amparo Nieto is located in Los Angeles, and is essential to discuss cost of service issues, but Ms. Nieto has commitments that make it impossible for her to travel to attend in person.

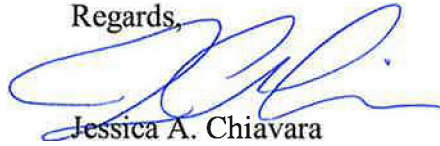

Eversource respectfully requests that the Commission make an exception to the 15-day notice requirement for remote participation for these three individuals, since topics were issued this past Tuesday once the 15-day deadline had passed.

The contact information for these three staff are as follows:

Amparo Nieto: anieto@crai.com
Robert Allen: Robert.allen@eversource.com
Jessica Cain: jessica.cain@eversource.com

Consistent with current Commission policy this filing is being made electronically only.
Thank you for your consideration of this matter.

Regards,

Jessica A. Chiavara
Senior Counsel, Eversource Energy
