Re: DE 24-070, Public Service Company of New Hampshire d/b/a Eversource Energy,
Request for Change in Distribution Rates; New Hampshire Department of Energy
Revised Motion to Accept Late-Filed Testimony

Dear Chairman Goldner:

Attached for filing in the above-captioned proceeding please find the New Hampshire Department of Energy's ("Department") Revised Motion to Accept Late-Filed Testimony ("Revised Motion").

The Department filed a Motion to Accept Late-Filed Testimony ("Motion") on February 7, 2025, requesting that the Commission accept late-filed testimony from the Department in this matter. The Motion anticipated that the referenced testimonies would be filed on Friday, February 7, 2025. However, due to extended processing time for the Department's testimony filing, the Department's testimony was submitted electronically to the Commission after close of the Commission's business hours that day. Pursuant to the Commission's recently adopted procedural rule Puc 203.08, the Department understands that the four testimonies will thus be deemed to have been filed on Monday, February 10, 2025 (i.e., the next business day following February 7, 2025) and submits this Revised Motion to reflect such.

The attached Revised Motion contains the following revisions to the Motion filed on February 7, 2025:

- Adds "Revised" to the title
- Revises the first sentence to state "February 10" instead of "February 7"
- Inserts a new sentence after the first sentence of the Motion noting it is a revised motion
- Revises paragraph 12 of the Motion to state "February 10" instead of "February 7"
- Adds a Footnote 9 to paragraph 12 explaining the revised filing date
- Revises paragraph 20 of the Motion to read "eleven business days" instead of "two weeks"

- The Revised Motion and Certificate of Service are now dated February 10, 2025, rather than February 7, 2025

The rest of the Motion has not been modified.

The Department therefore requests that the Commission accept its Revised Motion to Accept Late-Filed Testimony in lieu of the Motion to Accept Late-Filed Testimony filed on February 7, 2025.

Consistent with recently adopted Puc 203.03, this letter is filed electronically at ClerksOffice@puc.nh.gov.

Sincerely,

/s/ Paul B. Dexter
