

STATE OF NEW HAMPSHIRE  
BEFORE THE  
PUBLIC UTILITIES COMMISSION

DOCKET No. DE 24-070

PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE  
d/b/a EVERSOURCE ENERGY

Request for Change in Distribution Rates

**PETITION FOR INTERVENTION**  
**STANDARD POWER OF AMERICA**

Pursuant to the Order of Notice issued on May 3, 2024, by Public Utilities Commission of New Hampshire in the above-captioned docket, N.H. Admin. Rules Puc 203.17, and in accordance with the standards of RSA 541-A:32, Standard Power of America (“Standard Power”) hereby petitions for leave to intervene in this proceeding. In support of its Petition, Standard Power states the following:

1. Standard Power is a full-service energy broker and consultant for the New England area. We believe that renewable energy is a key component of our region’s energy resources and a critical source of affordable energy. A robust efficient Distribution system will enable a successful energy future in our state.

2. We have a mission to make energy more responsible and reliable for all our clients. This proceeding should help make a more robust system that is safer, more secure and better prepared for the future our clients and all electricity users want.

3. Since 2010, we have provided third-party electricity, solar development and installation. Currently, we are administering 27 hydroelectric plants and working with 250 schools, towns, and businesses in New Hampshire to reduce energy costs and consumption. Many of these entities are in the Eversource territory and expect us to support there future goals and plans.

4. We believe that this docket has the potential to impact our customers who utilize any form of energy and will also impact the pace and scale of future renewable energy in our state.

5. The rights, duties, privileges, immunities, and other substantial interests of Standard Power and its customers will be affected by the decisions made in this proceeding.

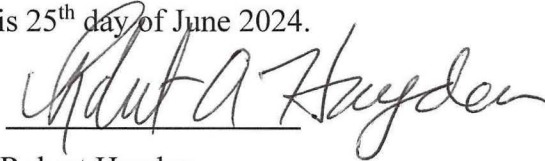

6. Standard Power has a long history of legislative engagement regarding net energy metering and other energy policy issues over the past decade.

7. As such, Standard Power participation in the proceeding will be in the interest of justice and will not impair the orderly and prompt conduct of this proceeding, nor will it delay the proceedings.

8. Standard Power of America respectfully requests that it be granted full intervenor status in this proceeding.

Dated at Nashua, New Hampshire, this 25<sup>th</sup> day of June 2024.
