Re: DW 24-___ Pennichuck Water Works, Inc.
Petition for Approval of Special Contract with Tyngsborough Water District

Dear Chairman Goldner:

Pursuant to the Commission's electronic filing requirements dated March 17, 2000, attached please find Pennichuck Water Works, Inc.'s petition for approval of a second special contract with the Tyngsborough Water District along with supporting testimony and materials. The last special contract was approved in Docket No. DW 15-133 and terminates on or about July 28, 2024.

The live Excel workbook containing the cost of service study is being provided in this filing to aid the Commission's review, however, the live workbook is confidential proprietary information and thus Pennichuck Water Works, Inc. has attached a motion for confidential and protective treatment of that workbook. A PDF of the cost of service is being filed for the Commission's public docket book.

Kindly add the following individuals to the Commission's service list:

Donald.Ware@pennichuck.com
John.Boisvert@pennichuck.com
Jay.Kerrigan@pennichuck.com
Julia.Gagnon@pennichuck.com

Thank you in advance for the Commission's assistance with this filing.

Very Truly Yours,

Marcia A. Brown
