**PETITION FOR APPROVAL OF REVENUE DECOUPLING ADJUSTMENT
FACTOR AND PROPOSED TARIFF CHANGES**

Now comes, Unutil Energy Systems, Inc., (“UES” or “Company”) and respectfully requests the New Hampshire Public Utilities Commission (“Commission”) approve: (1) the Company’s annual Revenue Decoupling Adjustment Factor (“RDAF”); and (2) the Company’s proposed tariffs incorporating the results of the reconciliations into rates. In support of its Petition, the Company states the following:

1. UES is a New Hampshire corporation and public utility primarily engaged in the distribution of electricity in the capital and seacoast regions of New Hampshire.
2. The Company’s proposed RDAF and underlying Revenue Decoupling Adjustment (“RDA”) are filed pursuant to the Commission’s Order in DE 21-030 (Order No. 26,623).
3. The Company submits the Testimony and Schedules of Linda S. McNamara in support of its proposed RDAF.
4. The Company proposes tariff changes to tariff page 69-H, which is the calculation of the RDAFs as part of Schedule LSM-1, Page 1, and Schedule LSM-4, Page 1.
5. Schedule LSM-3 provides typical bill impacts associated with UES’s proposed RDAF.

6. For customers on Default Service, residential class bills will increase by approximately 0.1%, general service class bills will decrease by roughly 0.6%, and large general service class bills decrease by approximately 0.1%.
7. The Company's proposed RDAF has been properly calculated and will result in just and reasonable rates.

For all of the foregoing reasons, UES respectfully requests that the Commission approve the following by July 31, 2024:

1. The Company's proposed RDAFs; and
2. The Company's proposed tariff changes.

Respectfully submitted,

UNITIL ENERGY SYSTEMS, INC.
