Re: Unitil Energy Systems, Inc. – DE 24-077 and DE 24-080, Witness and Exhibit Lists

Dear Chair Goldner:

Herein please find the parties jointly proposed witness and exhibit lists for the July 30, 2024 hearing in the above-referenced dockets. The Department of Energy and the Office of the Consumer Advocate have assented to this jointly proposed List.

Additionally, on behalf of Unitil Energy Systems, Inc. (“Company”), included for filing are revised Schedules related to the Company’s Electric Delivery Charge (“EDC”) filing (DE 24-080). In the process of responding to discovery issued by the Department of Energy, the Company found an error which resulted in a reduction of \$146.97 in the EDC calculation. As a result, the Company includes for filing Schedule DTN-1 Revised. As a result of the change to Schedule DTN-1, the Company also revised the following: JMP-2, page 4, LSM-2, pages 1 and 4, and LSM-4, page 2. The Company has marked all of these revisions as Exhibit 5. The Company has also included this change in its proposed EDC Tariff, which is marked as Exhibit 4. This change had no effect on the resulting proposed rate.

If you have any questions or need additional information, please contact me.

Sincerely,
