RE: Docket No. DE 24-112, Public Service Company of New Hampshire, d/b/a
Eversource Energy, Petition for Adjustment to Stranded Cost Recovery Charge
Updated SCRC Rate Schedules Excluding ES Reconciliation Adder

Dear Chairman Goldner:

Enclosed for filing with the New Hampshire Public Utilities Commission (the “Commission”) on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy (the “Company”), please find the Company’s updated SCRC Rate Schedules, in the form of revised Attachments ANB/EAD-1 through ANB/EAD-17, with Attachments ANB/EAD-18 remaining unchanged.

The revised schedules show the effects of excluding from the SCRC rate adjustments for effect February 1, 2025 the proposed new Energy Service Reconciliation Adder, consistent with the Commission’s directions in the procedural order issued on January 17, 2025 and at the hearing held on January 21, 2025. Per the Commission’s directive, this is intended to be Exhibit 6 in the record.

The Commission has indicated it expects to approve the revised SCRC rate adjustments for effect February 1st by order *nisi* without further hearing or other additional process. The Company respectfully requests that the Commission issue that order at the earliest possible time, so the proposed SCRC rate adjustments may become effective as of February 1, 2025.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
