Procedural Order Re: Closing Docket

In light of the April 30, 2021 commencement of Docket No. DW 21-090, in which Aquarion Company acquired Abenaki Water Company, Inc. and its water systems, and the establishment of the New Hampshire Department of Energy on July 1, 2021, it is unclear whether further action is required in this docket. If further action is required by the Commission, parties are asked to file their requests for relief by close of business on August 24, 2022. If no such requests are filed by 4:30 p.m. on August 24, 2022, this docket will be closed without further order.

So ordered, this first day of August, 2022.
