Procedural Order Re: Closing Docket

On May 19, 2022, the Commission issued Order No. 26,629, providing for a 30-day period for parties to comment on whether the above-captioned docket, in which there has been little activity, should remain open. During that period, Unitil Energy Systems, Inc. filed a comment stating that it supported closing the docket, and the New Hampshire Department of Energy filed a letter noting that it did not object to closing the docket.
