Procedural Order Re: Requests for Hybrid Hearing

The Commission scheduled an in-person hearing in this matter on July 14, 2022. On June 30, 2022, the New Hampshire Department of Energy (DOE) filed a late request for remote participation by Sanem Sergici, a DOE witness. The DOE stated that Dr. Sergici will be outside the United States on the date of the hearing, so that requiring her in-person attendance would be inconvenient and expensive.

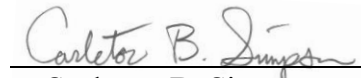

On July 1, 2022, ChargePoint, Inc. (ChargePoint) filed a late request for remote participation by its counsel, Nikhil Vijaykar, who lives in Illinois, and witness Matthew Deal, who lives in Pennsylvania. ChargePoint requested that they be permitted to participate remotely at the July 14 hearing to avoid the cost and potential exposure to the COVID-19 virus that air travel to New Hampshire would entail.

To the extent that New Hampshire Code of Administrative Rules, Puc 203.07(e) provides 10 days for objections, it is hereby waived. The DOE and ChargePoint have provided good reason for Dr. Sergici, Mr. Vijaykar, and Mr. Deal to appear remotely on July 14, 2022. Therefore, a hybrid hearing format will be used for the July 14 hearing to accommodate them. Any other parties or witnesses wishing to appear remotely at the hearing are required to file a separate request.

So ordered, this fifth day of July, 2022.
