Petition for Approval of Miscellaneous Utility Service Fees

Procedural Order Re: Request for Hybrid Hearing

The Commission scheduled an in-person prehearing conference on March 30, 2022. On March 7, 2022, Pennichuck Water Works, Inc., Pennichuck East Utility, Inc., and Pittsfield Aqueduct Company, Inc. (collectively, the Company) filed a request for remote participation by Company officer Donald L. Ware, who has a previously scheduled out-of-state commitment on that date. The Company stated that all other Company officers and counsel would attend the March 30 prehearing conference in person.

No objections to the Company's request were filed, and good reason for a hybrid hearing format has been provided. To the extent that New Hampshire Code of Administrative Rules, Puc 203.07(e) provides 10 days for objections, it is hereby waived. Therefore, a hybrid hearing format will be used for the March 30 prehearing conference to accommodate Mr. Ware only. Any other parties or witnesses wishing to appear remotely at this hearing are required to file a separate request.

So ordered, this ninth day of March, 2022.
