Procedural Order Re: Request for Extension of January 23, 2023 Deadline

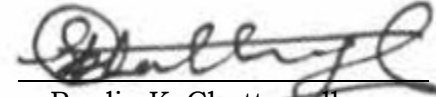

The Commission issued a procedural order on January 9, 2023, which permitted all participants to file responses to the utilities' technical statements on or before today, January 23, 2023. On January 20, 2023, pursuant to New Hampshire Code of Administrative Rules, Puc 202.04, the New Hampshire Department of Energy (DOE) filed an unassented-to request to extend this deadline to February 2, 2023, "due to the press of other business and staff resources."

As the deadline for which an extension is sought expires today, the Commission waives Puc 203.07(e). The DOE's request for an extension is GRANTED, *see* N.H. Admin. R., Puc 202.04, so that the DOE's and other participants' responses to the utilities' technical statements are now due on or before Thursday, February 2, 2023.

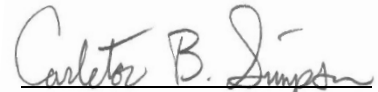

So ordered, this twenty-third day of January, 2023.
