Procedural Order Re: Request to Extend Settlement Deadline

The New Hampshire Department of Energy (DOE), with the assent of Bedford Waste Services Corporation, moves under New Hampshire Code of Administrative Rules, Puc 202.04 to extend the deadline for filing a settlement in this docket from June 1, 2023 to June 28, 2023. Under Puc 202.04, the Commission must grant an extension if the requester shows that (1) failing to do so would cause undue hardship or inconvenience; and (2) granting the request would not unduly delay the proceeding or adversely affect the rights of any party. *See* Puc 202.04(c). Based on the representations in the DOE's filing, the Commission finds that extending the deadline would prevent undue inconvenience for the parties. In addition, the Commission finds that extending the deadline would not unduly delay the proceedings or adversely affect the rights of any party. Accordingly, the Commission **GRANTS** the DOE's request.

So ordered, this thirty-first day of May, 2023.
