Procedural Order Re: Proposed Procedural Schedule

The Commission APPROVES the proposed assented-to procedural schedule filed by Bedford Waste Services Corporation on October 3, 2023. According to the procedural schedule, the parties will hold a technical session on October 20, 2023 at 10:00 a.m. The schedule, however, does not indicate when the technical session will end. In order for the Commission to calendar the technical session and avoid potential scheduling conflicts, the Commission requests that the parties notify the Commission's Clerks Office of the end time for the technical session by October 6, 2023.

So ordered, this fifth day of October, 2023.
