UNITIL ENERGY SYSTEMS, INC.

Proposed Light Emitting Diode Outdoor Lighting Service Tariff Changes

Procedural Order Re: Closing Docket

On June 2, 2023, the Commission issued Order No. 26,838, an order *nisi* approving Unitil Energy System, Inc.'s (UES) proposed tariff changes. Order No. 26,838 set a deadline of June 13, 2023 for filing comments and requests for a hearing. It stated that the order would become effective on July 3, 2023, unless UES failed to comply with its publication obligation, or the Commission issued a supplemental order before this date. In addition, Order No. 26,838 stated that this docket would be closed if no comments or responses to the order were filed by September 1, 2023.

The Commission issued a procedural order on June 19, 2023 clarifying that UES had satisfied the notice requirement in Order No. 26,838. No further orders have been issued since this date, and no comments, responses, or additional pleadings have been filed. On August 25, 2023, the Commission issued a letter confirming that UES's July 27, 2023 compliance tariff filing complied with Part Puc 1603 of the Commission's administrative rules. Accordingly, this docket is now closed.

So ordered, this sixth day of September, 2023.
