Procedural Order Re: Proposed Procedural Schedule and Extension Request

On February 6, 2023, the New Hampshire Department of Energy (DOE), with the assent of Lakes Region Water Company, Inc., filed a request for the Commission to approve the following procedural schedule:

Data Requests (DRs), Set #2	February 9, 2023
Data Responses, Set #2	February 23, 2023
Technical Session (Virtual)	March 2, 2023, at 10:00 a.m.
DRs, Set #3	March 3, 2023
Data Responses, Set #3	March 10, 2023
DOE Recommendation filed	March 28, 2023

To accommodate the parties' proposed procedural schedule, the DOE requested that the February 27, 2023 deadline for its recommendation, established in the Commission's Procedural Order issued on January 10, 2023, be extended to March 28, 2023.

It has been determined that the proposed procedural schedule is in the public interest and, therefore, it is approved. The DOE is requested to file a substantive analysis and recommendation on or before March 28, 2023.

So ordered, this thirteenth day of February, 2023.
