**Procedural Order Re: Proposed Revised Procedural Schedule**

Pursuant to the procedural order issued on July 20, 2023, the New Hampshire Department of Energy (DOE) filed a revised procedural schedule on August 1, 2023 on behalf of all parties. In its August 1 letter, the DOE stated that the parties requested the Commission to cancel the hearing scheduled on August 22, 2023, but to retain the September 19, 2023 hearing date.

The Commission lifts the stay imposed by the July 20 procedural order and approves the parties' proposed revised procedural schedule filed on August 1. The August 22, 2023 hearing has been canceled. The one-day hearing scheduled on September 19, 2023 will commence at 9:00 a.m. This hearing will be conducted in person, in accordance with the previously issued hearing guidelines.

So ordered, this third day of August, 2023.
