Petition for Review of Storm Expenses

Procedural Order Re: Deadline for Filing Proposed Procedural Schedule

On March 22, 2024, the New Hampshire Department of Energy (DOE) filed a letter requesting, among other things, that the Commission direct the parties to file a proposed procedural schedule. In its response filed on March 25, 2024, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) agreed to begin working with the DOE and any other docket participants on a proposed procedural schedule, which it hoped to submit to the Commission “as soon as practicable.”

Accordingly, Eversource is requested to file a proposed procedural schedule, which is based on input from the DOE and any other participants in this docket and includes a deadline for the DOE’s audit report and recommendation, by April 12, 2024.

So ordered, this twenty-eighth day of March, 2024.
