Eversource Energy

Petition for Second Step Adjustment

SUPPLEMENTAL ORDER OF NOTICE

On June 3, 2021, the Commission issued a Supplemental Order of Notice scheduling a web-enabled remote hearing on July 19, 2021, regarding Eversource Energy's petition for approval of the second of three step adjustments to distribution rates, pursuant to a settlement agreement filed in the above-captioned docket filed on October 9, 2020. Pursuant to that settlement agreement, this step adjustment would recover the costs associated with capital projects, excluding new business projects, placed in service during calendar year 2020, with the revenue requirement capped at \$18 million. In its filing, Eversource asked for an increase in revenue requirement of approximately \$11.126 million for effect with rates on August 1, 2021.

This supplemental order of notice updates the previous notice due to the expiration of the declared State of Emergency on June 11, 2021. With the expiration of the State of Emergency, the Commission must now comply with all requirements of RSA chapter 91-A, including the requirement that a quorum of a public body must be physically present at the location specified as the location of the public meeting in the meeting notice. The Commission is aware that not all parties, including regulated utilities, have returned to full in-person work environments.

Therefore, for the foreseeable future, the Commission intends to provide a hybrid approach to hearings to accommodate those who are remote and those who are physically present. A quorum of commissioners will be physically present within a hearing room for all Commission hearings beginning June 14, 2021. In order to facilitate the hybrid approach, all parties participating in

the hearing room will continue to participate on the web-enabled platform. Parties and the public may continue to participate in hearings remotely using the Commission's web-enabled platform.

Based upon the foregoing, it is hereby

ORDERED, that the Commission will hold a hearing in this matter at its offices located at 21 S. Fruit St., Suite 10, Concord, New Hampshire, on July 19, 2021, at 9:00 a.m.

Commissioners will be present in the hearing room and will use a web-enabled platform to conduct the hearing. Members of the public who wish to access the hearing remotely may do so by [clicking here](#). **If you have any difficulty obtaining remote access to this hearing, please notify the Commission by calling (603) 271-2431 as soon as possible.** Parties and members of the public wishing to attend the hearing in person are encouraged to register in advance, on or before July 15, 2021, by calling (603) 271-2431; and it is

FURTHER ORDERED, that pursuant to N.H. Admin. R., Puc 203.12, Eversource shall notify all persons desiring to be heard at the July 19, 2021 hearing by publishing a copy of this supplemental order of notice on its website no later than July 5, 2021, such publication to be documented by affidavit filed with the Commission on or before July 17, 2021. In addition, the Commission shall publish this order of notice on the Commission's website no later than July 5, 2021.

By order of the Public Utilities Commission of New Hampshire this twenty-ninth day of June, 2021.
