Withdrawal of Registration as an Electric Load Aggregator

Dear Ms. Mastorides:

On November 2, 2018, Customer Acquisition Specialists of America, Inc. d/b/a
CASA-North American Energy Advisory (Customer Acquisition) filed a request with the
Commission to withdraw its registration as an electric load aggregator in New
Hampshire.

Commission Staff filed a memorandum on November 2, 2018, summarizing its
review of Customer Acquisition's request and its determination that the request meets the
requirements for approval of withdrawal of an electric load aggregator registration,
pursuant to Puc 2003.08(b) and (c). Staff recommended that the withdrawal of Customer
Acquisition's electric load aggregator registration be approved, effective as of the date of
the letter confirming such approval.

Your request to withdraw the electric load aggregator registration of Customer
Acquisition is approved, effective as of November 5, 2018, pursuant to Puc 2003.08(b)
and (c). Accordingly, Customer Acquisition's registration is deemed to be terminated as
of that date.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
