Re: DE 19-133, Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Preauthorization of Westmoreland Clean Innovation Project  
Closing Docket

To the Parties:

On February 28, 2020, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a request to withdraw its petition and close the above-captioned docket. No objection to Eversource's request was filed.

Eversource stated in its letter that, while it continues to analyze, identify and implement reliability improvements in the Westmoreland area, its discussions with Commission Staff and the parties have led it to conclude that it should withdraw its petition for preauthorization of the Westmoreland Clean Innovation Project.

Accordingly, the Commission has closed this docket.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".
