Procedural Order Re: Motion to Amend Procedural Schedule

A hearing is scheduled in the above-captioned matter on March 1, 2022, during which the Commission will consider the parties' settlement agreement. On February 16, 2022, the New Hampshire Department of Energy (Energy) filed a motion requesting the Commission to reschedule this hearing to February 24, 2022 due to a scheduling conflict. None of the parties objected to its request. In its motion, however, Energy stated that substitute counsel could be available on March 1, if needed. Further, Energy requested that the Commission use the March 1 date for a continuation of the hearing in the event it was rescheduled to February 24, but did not conclude that day.

Energy's motion to amend procedural schedule is DENIED on the grounds that the requested hearing date of February 24, 2022 is not available, and Energy stated that substitute counsel could be available on March 1, 2022. If Energy still wishes to reschedule the March 1 hearing, then it may renew its motion and provide the Commission with at least two dates on which all parties are available. Presently, March 3 and March 10, 2022 are available on the Commission's hearings calendar.

So ordered, this seventeenth day of February, 2022.
