RE: ELEC-25 (Attached)

Attached please find the original documents that I uploaded today to the NHPUC website to reflect a rate change of the Affordable Telephone Service offered by Bretton Woods Telephone Company pursuant to our ELEC status granted under 362:7 and the subsequent notification required by SB48.

Currently there are no designated forms regarding ELEC notifications and/or a mechanism on the NHPUC website to upload any documents required by the passage of SB48. Therefore, I uploaded the enclosed ELEC-25 documents today under ILEC-1 on the NHPUC website.

Please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Karen Wante".
