PUBLIC UTILITIES COMMISSION

21 S. Fruit St., Suite 10
Concord, N.H. 03301-2429

September 21, 2021

Re: DG 21-036, Liberty Utilities (EnergyNorth Natural Gas) d/b/a Liberty Utilities
Petition for Approval of a Renewable Natural Gas Supply and Transportation
Agreement
Scheduling September 22, 2021 Technical Session

To the Parties:

On September 16, 2021, the New Hampshire Department of Energy (Energy) filed a request to continue Technical Session #3 held on September 14, 2021 to September 22, at 3:00 p.m, on behalf of itself, Liberty Utilities (EnergyNorth Natural Gas) d/b/a Liberty Utilities, and The Conservation Law Foundation (the filing parties). The filing parties stated that the Office of the Consumer Advocate does not object to the continuation of the technical session.

The filing parties did not request any change in the dates contained in the parties' approved procedural schedule. The Commission need not approve such assented-to continuations of a technical session in ongoing dockets. However, the Commission remains available to decide any discovery disputes that may arise among the parties.

Accordingly, a continuation of the September 14 technical session is appropriate on Wednesday, September 22, 2021, at 3:00 p.m., without the need for Commission approval.

Sincerely,

A handwritten signature in cursive script that reads "Dianne Martin".
