Procedural Order Re: Deadline for Alternative Reconciling Recovery Mechanism

On November 12, 2021, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (Liberty) filed a letter requesting an extension of the deadline for its proposed alternative reconciling recovery mechanism to November 17, 2021. Given the November 23, 2021 hearing scheduled by the Commission's procedural order dated November 9, 2021, and the directive contained in Order No. 26,540 (November 1, 2021) that Liberty propose an alternative reconciling recovery mechanism two weeks prior to the hearing, Liberty stated that there was insufficient time to comply with the current deadline. Liberty represented that the New Hampshire Department of Energy assented to its request, and that it had notified the Office of the Consumer Advocate, which Liberty stated is not officially participating in this docket.

Liberty's request for an extension has been granted pursuant to New Hampshire Administrative Rule Puc 202.04. Liberty shall submit its proposed alternative reconciling recovery mechanism by Wednesday, November 17, 2021.

So ordered, this twelfth day of November, 2021.
