Re: DW 04-048- City of Nashua – Petition for Valuation

Dear Ms. Howland:

The Commission recently approved a revised procedural schedule for this docket. The procedural schedule had been proposed by the parties. Upon review of the schedule, the parties have determined that one proposed date for a Technical Session, February 20, 2006, falls on a Monday and that the Commission is closed in observance of President's Day. The parties thus propose that the Technical Session be held on Tuesday, February 21, 2006 at 9 a.m. at the Commission.

Staff has received specific concurrence from the Town of Amherst, Town of Merrimack, Town of Milford, the Pennichuck companies, City of Nashua, Town of Pittsfield, Merrimack Valley Regional Water District, Town of Litchfield, Town of Hudson, and Office of the Consumer Advocate.

Thank you again for your assistance with this matter.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. B. Thunberg".
