City of Nashua's Responses to Staff's Public Interest Data Requests -
Set 1 Round 1

Date Request Received: May 6, 2005

Date of Response: June 10, 2005

Request No. 1-14

Respondent: Brian A. McCarthy

Request: Would the District have any interest in acquiring, or incentive to acquire, troubled water systems within member towns? In non-member towns? In other parts of the state?

Response: The District would be willing to entertain the acquisition of troubled water systems if the Town wanted it to do so and if the system was in a geographically logical location.

Nashua would be willing to acquire troubled water systems in Towns in which it already had a presence and for which there was no objection by the Town.
