Re: DT 06-067 Freedom Ring Communications, LLC d/b/a BayRing
Communications Complaint Against Verizon New Hampshire Regarding Access
Charges - **CONFIDENTIAL MATERIAL ENCLOSED**

Dear Ms. Howland:

In accordance with the Commission's Order No. 25,337 issued March 23, 2012, enclosed for filing in the above-docketed matter are an original and seven (7) copies of FairPoint's CONFIDENTIAL version of Exhibit 2, verifying the amounts it is owed for past due CCL charges, accompanied by the Affidavit of Thomas J. Nolting. It should be emphasized that the amounts listed in Exhibit 2 may not represent the entire amount of any past due charges, but only relate to the relevant period as defined by the CAF Order, *i.e.* October 1, 2010 to September 30, 2011, and only to the Competitive Carrier parties in this proceeding.

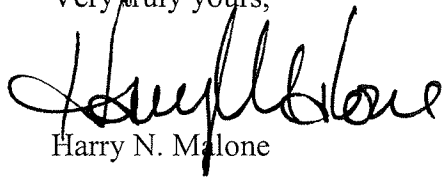

Please also be advised that FairPoint has been involved in settlement negotiations with a number of the listed carriers and has either reached agreement or is hopeful of reaching agreement before March 31, 2012.

Finally, please note that we request confidential treatment of this entire exhibit and that such request be considered under FairPoint's pending Motion for Confidential Treatment. Unlike Exhibit 1, previously submitted, this request extends even to the names of the carriers, in order to protect the integrity of the ongoing settlement discussions. Each carrier party will receive a redacted version of Exhibit 2 that displays only information pertaining to that carrier.

A compact disk containing this exhibit is also enclosed.
