Re: DG 06-107  
National Grid-KeySpan Merger

Dear Ms. Howland:

In my letter to you dated April 17, 2007, I indicated that the settling parties expected to propose modifications to the procedural schedule by today. That prediction was overly optimistic and I now anticipate that there will be a discussion of the procedural schedule among the parties early next week and that proposed modifications will be forwarded soon thereafter. Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Edward N. Damon".
