Re: DG 07-050; KeySpan Energy Delivery New England

Dear Ms. Howland:

I am writing to follow up on the May 3 letter from Attorney Ross regarding the procedural schedule in this docket. I would request that the Commission not take any action at this time on the schedule set forth in Ms. Ross's letter. The Staff and parties are continuing to discuss the procedural posture of this case. The letter from Ms. Ross does not set forth the schedule as agreed to by KeySpan, but I am confident that the Staff and parties will be able to resolve their differences in the next few days.

Sincerely,

A handwritten signature in black ink, appearing to be "S. Camerino".
