RE: Docket No. DE 07-096, In re: Public Service Co. of NH
Proposed Default Energy Service Rate for 2008

Dear Ms. Howland,

I am writing to request that I be added to the service list for this docket. The Campaign for Ratepayers Rights is a statewide nonprofit that advocates responsible energy policies and is concerned with issues that may affect utility rates in the state of New Hampshire. To that end, we are interested in following the progress of the ES docket.

Thank you for your attention in this matter.

Best regards,

Patrick Arnold
Executive Director
