RE: DE 07-122 PSNH Petition for Clarification & Interpretation of Commission Orders regarding Hemphill Power & Light

Dear Ms. Howland:

The OCA is in receipt of PSNH's letter dated January 9, in which PSNH informs the Commission that Hemphill Power and Light Company and PSNH have decided to enter into settlement discussions. As a result, PSNH states that for the settlement discussions to be productive, suspension of the docket is requested. The OCA does not object to this request. However, the OCA suggests that the Commission set a deadline for filing a settlement in this docket, or in the alternative, a date for a status conference.

Sincerely,

A handwritten signature in cursive script, appearing to read "M. Hatfield".
